

## The United Universe Church Embassy Fundraising (UUCEF):

Namasté,

Throughout all time, this will become the most important statement ever: If we don't change our awareness, as in a Global Consciousness Shift, we will not survive as humanity because people on the path of Enlightenment will take better care of themselves, respect their fellow man and always appreciate mother nature in the best way possible!

[85+ Mother Nature Quotes Everyone Needs To Read](#)

The United Universe Church is the Embassy of the Anunnaki and Kukulcan is their Ambassador. The mission of the United Universe Church Embassy is to advance the [Interests in Enlightenment](#). More info will be found in the United Universe Church Embassy [Consulate General](#).

Anyone who is seeking refuge at the United Universe Church Embassy voluntarily adopts a [Conscious Lifestyle](#) and receives compensation, we are aiming for a fee of € 100 euro per day, for their dedication. Because whether you believe it or not, your lifestyle has made you who you are right now.

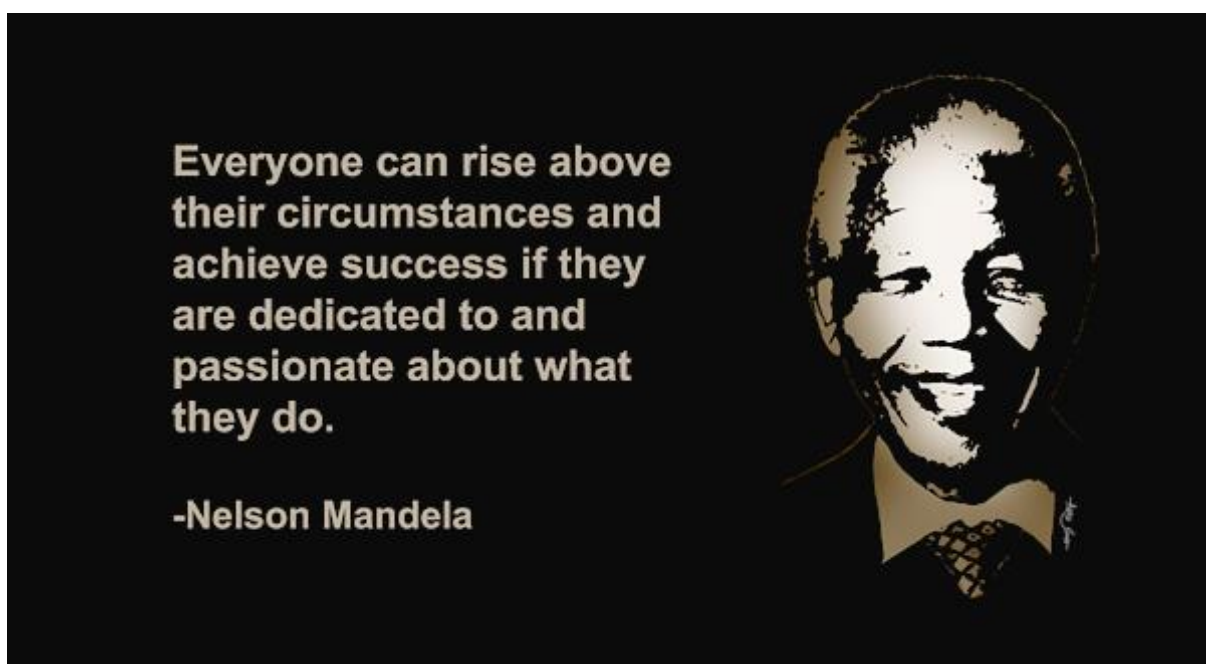

**Conscious tantric Mayan vegan raw & superfood lifestyle:**

- #1 Consciousness, we can't live without it
- #2 Oxygen, we can only live one minute without it
- #3 Sleep, 24 hours without it can lead to unrecoverable change in your mind and body
- #4 Water, we can live only three days without it. I have not been drinking unfiltered tap water for over ten years now
- #5 Nourishment, only 21 days without it, then you get really ill or possibly die
- #6 Hygienics, it's important to feel fresh and fruity 24/7
- #7 Sports & Martial Arts, fitness or aerobics every other day
- #8 Tantra & yoga, every day
- #9 Grounding, always grounded with the physical and mental and grounded with the heaven and the earth

**The Secondary life needs:**

- #10 Mayan Thirteen Moon calendar, 13 X 28 ovulation = TunUc the year of the moon
- #11 Ego vs. Unmani, being asleep to the mind is being awake to the truth
- #12 Beliefsystems & Philosophy, neither of both
- #13 Meditation & Satyoga, just because life is all about balance
- #14 Survival & Preppers, watch your back, as you intuitively want to do
- #15 Organic Clothes & Bedding, because we don't want poison on our silky skin
- #... **More to come.**

The rules are very simple for each participant: all they have to do is follow the Conscious Lifestyle of Kukulkan, but if they don't do what Kukulkan tells them to do, or do not stick to the program... Then it will be deducted from their paycheck and if someone doesn't show up one day, that day will also not be paid out.

The goal of Kukulkan is to preserve the lifestyle of Latin American original Tribes; their philosophy, rituals, their calendar, agriculture and natural health care. Tribes such as the Mayans, Incas and Aztecs lived in harmony with mother nature, like it is meant to be!

The United Universe Church Embassy Fundraising (UUCEF) that should be sponsored similarly to every [United Nations](#) (UN) country that has to give a percentage of their [GDP](#) to keep their Army division up to date, including the military wages. Instead of this the UUCE is going to pay the people, who follow the education in a [Conscious tantric Mayan vegan raw & superfood lifestyle](#), to finally become Enlightened. And can contribute in their own Conscious way to a better living environment for everyone. Because people on the path of Enlightenment will take better care of themselves, respect their fellow man and always appreciate mother nature in the best way possible.

**Warning:** Yoga will take away your joy of suffering ([Shunyamurti Teaching](#)). Most people want an ego liberated from suffering but they don't want a Consciousness liberated from the ego. This is the problem that even yogies seem to have. You can't reach liberation from suffering without annihilating the ego illusion because the ego is the source of suffering.

The business model is of that of the army, defending the people and the country in times of crisis and war. Now in times of advanced [Global Warming](#), the Enlightened people, will in the same way protect all the flora and fauna and Mother Nature. Which is both invaluable! So we can say we are going to build an Army of Love.

Kukulkan also wants to set up his own [Global Advisory Board](#) and this Advisory Body of Knowledge is subdivided into three departments. **These are firstly the specialized health team:** [Brian Clement](#), [David Wolfe](#), [Deepak Chopra](#), [Matt Monarch](#), [Amy Rachel](#) and [Diana Store](#). **Secondly the esoteric mindfulness team composed of:** [Shunyamurti](#), [Mooji Baba](#), [Eckhart Tolle](#), [Robert Bridgeman](#), [Mukti](#) and [Byron Katie](#). **Thirdly our specialized sport coaches:** [Ido Portal](#), [David Goggins](#), [Iron Wolf](#), [Nūn Sava-Siva Amen-Ra](#), [Keisha Tjepkema](#) and [Naomi](#).

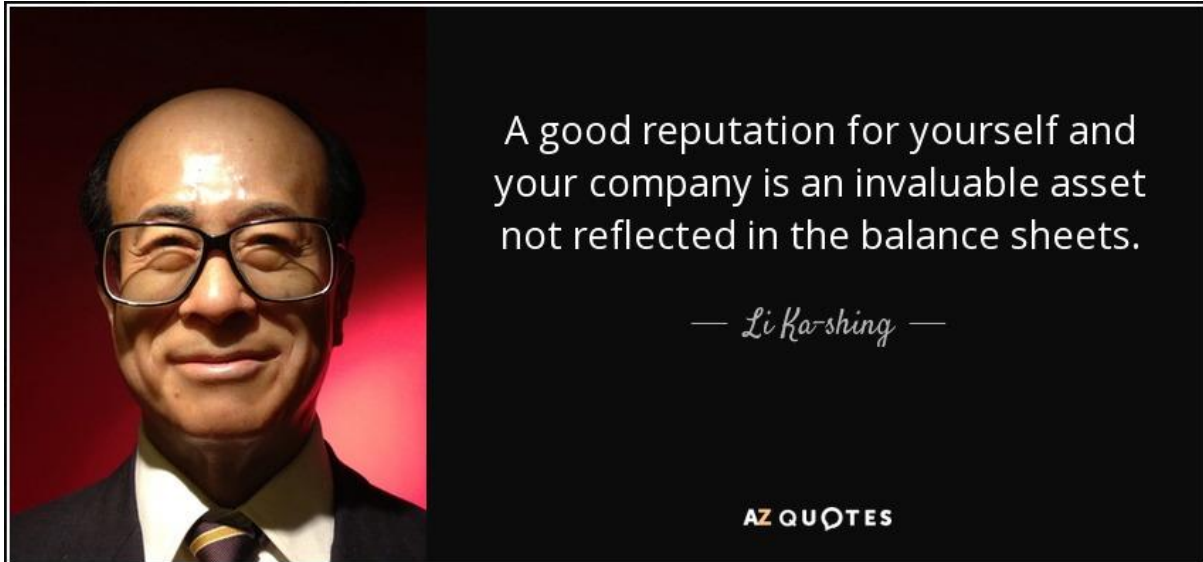

All of this will come under the supervision of [Kukulkan](#). Kukulkan is going to practice what he preached because his specialties are dietician ([rawfood](#)), health, fitness, yoga ([satyoga](#)), spirituality, tantra and awakening etc.

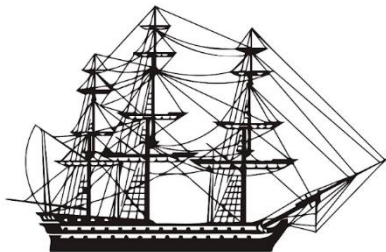

**[The Ambassador Kukulkan](#)**

Kukulkan is going to propose this on the following respected people such as [Elizabeth II](#) for I lost my heart to [Belize](#) or [President Vladimir Putin](#) to life in his pristine [Siberia](#) or [Mark Zuckerberg](#) and his wife [Priscilla Chan](#) on their [Chan Zuckerberg Initiative](#) and [Elon Musk](#) his [Generosity Charity](#) and [Jeff Bezos](#) on his [Bezos Earth Fund](#) and for example [Bill Gates](#) on his [Gates Foundation](#) and of course I'm submitting this to [BlackRock](#) & [Vanguard Group](#) & [State Street Global](#) and the [largest Asset Managers in the World](#).
